Re: In the Matter of Petition of TracFone Wireless, Inc. for Designation as an Eligible Telecommunications Carrier in the Commonwealth of Kentucky for the Limited Purpose of Offering Lifeline Service to Qualified Households; PSC Case No. 2009-00100

Dear Mr. Derouen:

In accordance with the September 23, 2010 order in the above captioned docket designating TracFone Wireless Inc. ("TracFone") an Eligible Telecommunications Carrier, and the May 24, 2007 order in Administrative Case No. 360, TracFone is required to perform an annual audit of all lifeline customers to verify their continued eligibility. This letter is to advise the Commission that TracFone initiated service to customers in Kentucky on January 24, 2011. Therefore, it does not yet have any customers that have reached the one year mark requiring re-verification of their eligibility. TracFone will begin conducting such an audit on or about January 24, 2012, and will report the results to the Commission by August 15, 2012.

If you have any questions, please feel free to contact me at (305) 715-3613, or sathanson@tracfone.com.

Sincerely,

Stephen Athanson
